A word is due to the women of Florence. While waiting here in town one of our boys, tired and sleepy, walked out into a garden, laid down and went to sleep, and did not wake until the command was gone. He then supposed that he was "a goner." But not so! The lady of the house told him to have no fars; so she concealed him in a room in her house uncommand went to Florence, when she Johnson City, reluctantly sade him adlen to rejoin his company. These wounded men were taken care of as if they belonged to the families. One of them was watched over and nursed by a good lady day and night, until the Federals went there again. And when the wounded man was put in the ambulance she furnished pillows and blackets, and would go along herself as far as Shoal Creek to see that he got along with as little pain as possible, then wept when she had to see him start without her. Whether this was the movings of loyalty, maguanimity
